**IMEX Cargo Nominated Cargo Sales Agent in Boston for  
AMERIJET opens new office in Boston, MA**

**BOSTON, MA** – Cargo Sales Agent IMEX Cargo has been nominated as authorized Cargo Sales Agent in Boston opening new drop station in East Boston for AMERIJET. The facility is located just minutes from the Boston Logan International Airport at 480 McClellan Hwy, East Boston, MA 02128.

“This new appointment as authorized cargo agent for Amerijet has afforded IMEX Cargo the opportunity to expand its international market reach to now include services for the growing local Hispanic Community in Boston offering daily all cargo flights by air to the Caribbean, Latin America and Mexico via Amerijets’ Miami Hub.

IMEX Cargo has been servicing the international airfreight market for more than 10 years with services to Asia, Middle East and Africa with Cathay Pacific, Gulf Air and Air Transat and with the addition of Amerijet to its current portfolio of clients can now tend cargo services for the growing Hispanic community who ship to the Caribbean, Latin America and Mexico.

“We have opened a cargo drop station located in the Horizon’s bonded container freight station featuring 12 loading docks and more than 10,000 square feet of warehouse, to enable more efficient receiving and loading while providing daily direct trucking service and scheduled transfers to Amerijets’ International hub at Miami International Airport” adds Michelle DeFronzo, Owner of IMEX Cargo.

We will be accepting international airfreight export shipments at this Boston based station, including general personal and commercial cargo, hazardous material, large or small packages, and barrels, valuable and fragile goods for AMERIJET.

Hours of operation are 8:30 a.m. to 5:00 p.m. Monday through Friday. For rates and cargo-specific questions, customers can contact Amerijet's sales department at 617-716-1023 or via e-mail at [sales.bos@amerijet.com](mailto:sales.bos@amerijet.com).

Amerijet International, Inc. is a full-service multi-modal transportation and logistics provider, offering international, scheduled all-cargo transport via land, sea, and air. Florida-based Amerijet operates offices all over the world, serving destinations throughout the Americas, Mexico, the Caribbean, Europe, Asia, and the Middle East. Amerijet operates Boeing 727-200 and Boeing 767-200 aircraft from its primary hub at Miami International Airport, with 210,000-square-foot export and 100,000-square-foot imports air cargo handling facilities and a 50,000-square-foot ocean cargo facility. A custom-built 10,300 square-foot (227,419 cu. ft.) cooling facility was specially designed to maintain the cool chain integrity of perishables during the transportation process. In addition to the state-of-the-art design features, multiple pre-cooling systems, and 24 hour surveillance, the refrigerated storage space is subdivided into four climate-controlled chambers offering not only refrigerated, but frozen, and chilled storage.
