We wish to advise you that Volga-Dnepr Group's Ruslan International An-124-100 joint venture with Antonov Airlines is to end on 31 December 2016.

This has not been an easy decision but it has been influenced by factors beyond our control. We wish to publicly thank Antonov Airlines for their partnership over the past decade and we will continue to collaborate in regards to the technical aspects of our An-124 fleet.
